About

IIM Amritsar

Indian Institute of Management (IIM) Amritsar is the 15th IIM set up by the Ministry of Human Resources Development with the support of the Government of Punjab. After the registration of IIM Amritsar Society on July 27, 2015, the first batch for the class of 2015-17 was enrolled in August 2015. Later, on October 14, 2015, the IIM Amritsar Board of Governance & Society was constituted. In June 2016, Finance Minister Late Shri Arun Jaitley laid down the foundation stone for IIM Amritsar Campus. Currently, IIM Amritsar is the 15th oldest IIM and one of the premier management institutes in the country.

Located in Amritsar, the land of the Golden Temple and Wagah Border, the institute benefits from the enriching experience offered by this holy city. The Institute currently runs in the Punjab Institute of Technology Building, 5 km away from the railway station and 10 km from the airport. Its permanent campus is being constructed about 7 km from ISBT and 8.5 km from the railway station, making it easily accessible.

IIM Amritsar, at present, offers a Post Graduate Program in Management and since 2020 has started accepting Doctoral students. The MBA program has been designed to provide world-class management education so as to meet the requirements of enterprises across sectors by producing highly insightful management professionals. The institute is committed to imparting strong educational foundations and values in the hearts, thoughts and actions of the future managers.

Owing to its indefatigable allegiance to provide exemplary education, IIM Amritsar has established itself as the vanguard of quality education and learning in a short span of time. The Institute follows the same pedagogy as practiced by the other members of the prestigious IIM fraternity. With the various facilities like state-of-the-art IT-enabled classrooms, a digital library giving access to the most relevant national and international business and management journals, auditorium, student activity room, indoor & outdoor sports facilities, gymnasium, spacious hostel rooms, etc.

IIM Amritsar provides a nurturing environment for its students to learn and grow. IIM Amritsar also focuses on creating an entrepreneurial culture, where the students and faculty work together to create the best enterprising solutions. Besides getting to learn from qualified faculty and industry leaders, the students, learn by involving themselves in various club and committee activities. The tireless efforts of our students result in their winning many corporate and B-school competitions and, ultimately bagging promising career opportunities. In a true sense, IIM Amritsar is the playground for the dreams to nurture, personalities to flourish and careers to change the world.

Dear Partner,

We would like to take a moment to express our sincere gratitude to you – our valued corporate partners. It is our honour and privilege for your association in the career advancement of our students.

IIM Amritsar is truly on its way to be one of the most active and premier B-school in the country. This is because of the confluence of dynamic leadership supported by an acclaimed faculty and diligent staff. Our Director is truly a big strength of the Institute – his vast international experience will definitely help us to find a strong footing in this borderless world. Our faculty come from a diverse set of premier educational institutions and, as expected, are passionate of their area of research. This interplay of the important constituents of the institutes creates a vibrant learning environment.

The last one year has been a very difficult one – for the individuals as well as the companies. Many of the rules and knowledge, developed and honed over the years, suddenly became obsolete. It truly gave a new meaning to the term “thinking on the feet”. As you have navigated through the changed world order, we can also share with pride that we have taken substantive steps to ensure that the learning of the students is not adversely impacted. This has translated into various forms – like the pedagogy and teaching, the assignments, projects and evaluation – the general interaction between the faculty and the students. We can definitely say that the students and faculty of our Institute have adapted very well to the changed circumstances. One pointer of this is the immediate success of the newly launched eMBA program.

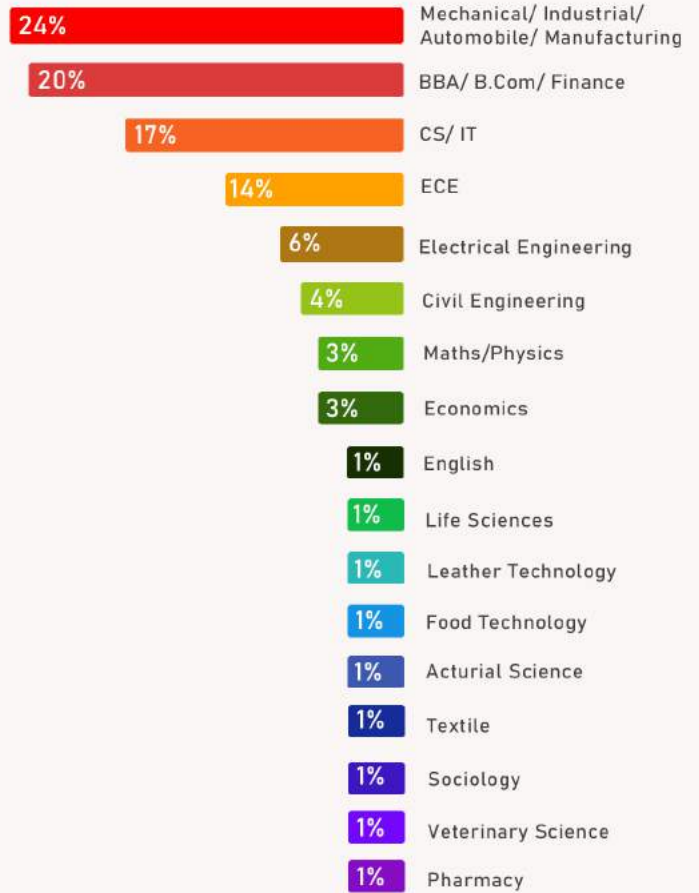

We have been supported in this endeavour by a very fine set of young minds – our students. They have enjoyed and contributed significantly in creating this learning environment. So, it is with great pleasure and confidence that we present you the students of MBA programme of our Institute. The batch is truly diverse – in terms of their backgrounds, geographies, work experiences and educational backgrounds. This diversity has also helped in creating an intellectually stimulating environment and prepare the students for taking up leadership roles in the industry. We would like to thank you once again for your partnership – it has been instrumental in students getting roles that meet their ambitions and their skills. Look forward to a long and fruitful association.

Yours Sincerely,
Prof. Gurbir Singh & Prof. Amar Saxena
